Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

The undersigned, John R. Musselwhite, declares as follows that:

1. I am named as inventor in the above referenced application as of the filing of the "Response to Notification of Missing Requirements Under 35 U.S.C. 371" filed 16 March 2000, which included a declaration signed by the undersigned as inventor in this case.
2. That the error in inventorship occurred without deceptive intention on my part.
3. That my declaration, including those of the other joint inventors, was submitted in the above referenced response.

Assistant Commissioner for Patents

Attorney ocket: 10546,006

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed

JOHN R. MUSSELWHITE

Date

8/21/2000

WRITTEN CONSENT OF ASSIGNEE FOR CHANGE IN INVENTORSHIP

Application of: John W. Wong et al.
U.S. Serial No.: 09/424,431 based on
PCT No. PCT/US98/10389

Int'l. Filing Date: 22 May 1998
Priority Date 23 May 1997

For: **Method and Apparatus for Delivering
Radiation Therapy During Suspended Ventilation**

Case No.: 10546.006

The undersigned as an officer of Assignee in the above referenced application hereby consents to the addition of John R. Musselwhite as inventor in the above referenced U.S. Patent Application. Beaumont's exclusive ownership interest in this case is evidenced by the enclosed copy of an assignment document executed by each inventor in the above referenced case. The subject assignment was submitted for recording by applicants counsel on 22 May 1998.

Thomas R. McAskin, Vice President
